AFTER SCHOOL SCIENCE

HERE AT YOUR SCHOOL

Spark Their Curiosity

Mad Science SW (a community interest company) ignites science through fun, hands-on, curriculum-linked clubs. Held regularly after school, they're the perfect way to explore STEM, spark imagination, and inspire a love of learning.

AFTER SCHOOL SCIENCE CLUB

HERE AT YOUR SCHOOL

The Club

Mad Science Afterschool Clubs provide the perfect mix of fun, interactive, educational content. Taking aspects of physics, chemistry and some biology to engage and excite all children enrolled. Our hands-on, enquiry based sessions encourage independent learning skills and discovery at their pace. They'll be immersed in a fully unique and different topic each week during the course, so there's plenty to explore as they get to grips with key science concepts and fun STEM based explorations.

They'll have so much fun, they forget they're learning
