Leading the way at Llangan

We are delighted to introduce our newly elected Pupil Leadership Team for 2026/27! Find out more about their aims, aspirations and ideas for the year ahead, and how they hope to make a positive difference to life at Llangan.

Head Boy – Huw - Hello, I am Huw and I was recently voted Llangan's Head Boy for 2026/27 by the pupils and staff. Now that I am Head Boy, I would like to organise fundraising events, such as a teachers' talent show, which will most definitely make the pupils laugh! I would also like to organise fun school trips, such as a trip to the pantomime. During my time as Head Boy, I will make sure that children don't feel alone at breaktime, lunchtime or in class, and that everyone has lots of fun during the school year. I look forward to representing Llangan Primary School with pride.

Head Girl – Ella - Hello, my name is Ella and I was recently appointed Head Girl by the pupils of Llangan. I am Head Girl for 2026/27 and I am really excited! One of my main aims as Head Girl is to make sure that everyone is heard. I have lots of ideas, including giving house points to celebrate achievements. One of my promises is to encourage everyone to respect other people's belongings. I would also like to organise an outdoor session for parents and grandparents to join us so that we can show them why we love outdoor learning so much. I would like to organise more sports tournaments, such as football, as well as an arts and crafts day. I really appreciate being chosen as Head Girl and I can't wait for the year ahead.

Deputy Head Boy – Mason - It is a massive honour to be Deputy Head Boy for Llangan Primary School. This role is about giving something back to the school. I want to make sure this is somewhere we actually want to turn up every day and, most importantly, somewhere nobody feels left out. I want to be someone that people can chat to, whether you need a big hug or just have a random idea about how we can make things even better. I am here to work alongside Huw, Ella and Eva, as well as our teachers, but my main priority is looking out for the pupils of Llangan. I am going to put everything into this role. Thanks a million for having my back – let's have a great year together!

Deputy Head Girl – Eva - Hi, my name is Eva and I have been appointed by the pupils of Llangan to be Deputy Head Girl for this academic year. I would like to help make our school even more fun and friendly for everyone and make sure that everyone feels included. I also made some promises to make sure that everyone feels listened to, because your ideas matter and deserve to be heard.

I want to try my best to make a positive difference to Llangan and help make this a great year for everyone.

A Little Help **Makes** a Big **Difference**

We use a range of resources to enhance our learning and development. These include practicing letter formation in shaving foam, sand play, and a range of writing resources. To keep these resources replenished, we kindly ask for a donation of £1 a week. Donations can be made at £1 per week or in staged or full payment. This payment item will run for the Autumn term 2026 (15 weeks).

Morning Drop-Off Routine

To help our mornings run smoothly and support children in developing confidence and independence, we kindly ask parents and carers to drop children off at the school gate. Where possible, we encourage children to walk into school independently, with adults saying goodbye at the gate. This consistent routine helps children settle quickly, feel ready for the school day and start their learning positively. Thank you for your support in helping us make mornings calm and welcoming for everyone.

Questionnaire

As we begin the new school year, I would really value your views about Llangan Primary School. Parents and carers play an important part in helping us understand what our school does well and where we can continue to improve. I would be very grateful if you could take a few minutes to complete our short parent questionnaire. Your feedback will help us to reflect on our current provision and ensure that we continue to provide the best possible experiences for all our children. Please click on the image to access the questionnaire. The questionnaire will close on Monday 14th September.

We are inviting Parent Governors to join our Governing Body. This is a fantastic opportunity for parents and carers to become more involved in the life of Llangan Primary School and help support its future development. Please follow the instructions on the nomination and election letter that has been sent to all parents.

Arbor Parent App

We will shortly be starting to use the Arbor Parent App to make things easier for families. Please download the Arbor Parent App and get ready to start using it. Through the app, you will be able to sign your child up for clubs, book Breakfast Club sessions, pay for trips and activities, and access other useful school information all in one place. Further details about activating your account and using the app will be shared shortly.

To join in with the celebrations, children are invited to come to school dressed in one or more of the colours of their class country's flag – please see details of countries above.

The School Nursing Immunisation Team will visit your child's school soon. It's very important to protect your child from flu, to make sure they stay as healthy as possible.

Click on the link or scan the QR code below to fill in and return the online consent form as soon as possible and at least 5 days before the flu school session.
