- Data collecting.
- Compare length.
- Introduction to positional language

Science & Technology

- Exploring old and new toys: Comparing toys from the past with toys we play with today. What is the same? What is different?
- How toys move: Investigate toys that roll, spin, slide, pull, push and move using batteries.
- Materials: Explore what toys are made from, such as wood, plastic, metal, cardboard and fabric.

Expressive Arts

- Create paintings and collages of our village.
- Build old and new houses using construction materials.
- Use music, movement and role play to explore the past.
- Make models and artwork inspired by our discoveries.
- Talk about what we think toys of the future will look like.
- Make a toy out of recyclable materials.

Humanities

- Explore how people, places and communities have changed over time.
- Investigate our local village of Llangan, looking at old and new photographs, our school, the church and other features of our local area.
- compare old and new toys, homes, transport and ways of life, and learn about how our families and communities have changed.
- Through stories, photographs, discussions, visits and practical investigations, the children will develop their understanding of the past and the world around them.

Health & Wellbeing

- We will learn about ourselves and how we grow and change.
- Talk about how we have changed since we were babies.
- Explore feelings, friendships and growing independence.
- Work together, share ideas and respect others' experiences.
- Enjoy active outdoor learning and develop physical skills.

Computing

- Compare old and new telephones, cameras and computers.
- Use digital devices to take photographs and record our learning.
- Explore how technology helps us communicate and find information.
- Develop confidence using technology safely.

Inquiry Overview

Croeso i Ddosbarth Gwenynen!

This term, we will be exploring how people, places, animals, plants and everyday objects change over time. Through exciting investigations, stories, play and creative experiences, the children will develop their understanding of the past and how things are different today.
