Croeso! Welcome!

On behalf of everyone at Llangan Primary, we would like to welcome you to our school. We are very proud of our school and the work we do with our children. Our motto is "Dring Yn Uchel - Dring Yn Uwch", or in English, "Climb High - Climb Higher". We believe that all children should be encouraged to aim high and to achieve their full potential. We are very proud of our school's recent Estyn inspection, in which we received the highest possible judgement of Excellent. Our school is a Rights Respecting School, working towards Gold level. We are also a Healthy School, working towards the National Quality Award. We are very proud of our Welsh Medium provision and our children's ability to speak Welsh fluently.

Llangan is a vibrant learning community that sets pupils very much at the centre of everything we do. We have a dedicated staff team who are committed to providing the best possible learning experiences for our children. We hope that this prospectus will provide you with all the information you require about our school. However, please do not hesitate to contact us if you require any further information or if you would like to visit our school.

Yours sincerely,

Mrs Angela Hughes
Head teacher
