We've had a great start in Year 5!

Our children have been carefully sketching our local Cenefin. From St Canna's church to Llangan school, year 5 has been very busy!
We've been discovering populations from cowbridge from the census years all the way to now!

We have been expressing our opinion by explaining where in our Cenefin feels like home to us. We researched about St Canna's church and the ancient artifacts like the Celtic wheel cross, resembling Christ.

We can't wait for next week!
