

OUR CYNEFIN TOPIC JUMP OUT

At the start of the week we started our cynefin topic all about where we feel at home, and it had to be by our local area. And I picked the field in Troes where I play football with my dad and climb the big tree. And sometimes I cross the lake to the other side.

We also had to draw Saint Cannas Church , and the picture is mine that I drew on my own. And I also copied a picture.
