Cynefin

Year 5

This is my picture I drew of St Canna church.

My jump out

At the start of the year our topic has been cynefin because we were learning about it. We also drew St canna church, it was fun. Some people were doing to windows but i did the building because i really like the outside of it.

We also did an important place to us in Llangan. Of course, I did Llangan because it's really important to me.
