MP Meets Llangan Learners

We were thrilled to welcome Kanishka Narayan MP to Llangan Primary School for a very special visit! As well as representing the Vale of Glamorgan in Parliament, Kanishka is the UK Government's Minister for Artificial Intelligence, helping to shape how AI is developed and used across the country.

Our pupils had a fantastic opportunity to find out more about life in Parliament, what it means to represent our local community in Westminster and the increasingly important role that artificial intelligence will play in our future. They certainly made the most of the opportunity, asking some brilliant and thoughtful questions!

A huge thank you to Kanishka for taking the time to visit us - our Year 6 pupils are already looking forward to meeting him again later in the school year when they visit Parliament in Westminster!

Llangan Weekly News

We are pleased to be introducing the Arbor Parent Portal, which will provide parents and carers with a simple and secure way to access a range of school services. In coming months, through Arbor, parents will be able to use the portal for services such as booking Breakfast Club. To get started, parents will receive an email from Arbor inviting them to set up their account. Simply follow the link in the email, confirm your details and create a password. Once your account has been activated, you can access the Parent Portal online or download the Arbor Parent App to your phone or tablet. Please ensure that you use the same email address that is registered with the school, as this is how Arbor links you securely to your child. If you have any difficulties setting up or accessing your account, please contact the school office and we will be happy to help.

Parents' Evening booking information

We're looking forward to welcoming you to our autumn term Parent-Teacher Consultations, which will take place on Thursday 15th October and Tuesday 20th October.

The meetings are a valuable opportunity to talk with your child's class teacher about how they've settled into the new school year, celebrate their progress and achievements, and discuss any areas where we can work together to support them.

Appointments can be booked via the school website, where you'll be able to choose a convenient appointment time with your child's class teacher.

Individual school photographs will be taking place on Monday 5th October. For families with pre-school siblings, we are offering a special sibling photo session from 8:30–8:50am. Please bring your child and their pre-school sibling directly to the school hall during this time. Once the photograph has been taken, the pre-school sibling can leave with their parent/carer, while the school pupil will continue with their school day as normal.
