Llangan Weekly News - Friday 16th October

Year 6 visit Sony

When we arrived at the Sony factory in Pencoed, we put our bags and coats away and were given blue Sony jackets and lanyards. After a presentation, we went on a factory tour to see how cameras and Raspberry Pi computers are made.

We learned that robots help to assemble the Raspberry Pi 4, while the Raspberry Pi 5 is assembled by hand. We also saw how AI checks for faulty or damaged parts and moves them onto a different conveyor belt. Each Raspberry Pi has a QR code so it can be traced back to the team leader who checked it. We also saw how the computers were packaged and learned about the special clean rooms where 4K camera lenses are made.

After the tour, we went to the Sony Academy, where we used special coding commands to check our Raspberry Pi computers and their temperatures. Following lunch, we used Scratch to build light circuits and programme different sequences. We made lights flash, move up and down and skip certain lights when we pressed different buttons.

To finish our visit, we had a presentation about Japanese culture, learned how to write in Japanese, made origami hearts and took part in a quiz.

We really enjoyed our visit and learned lots about technology, coding, robots and Japanese culture! By Ethan and Ewan

SCHOOL MEALS NEW MENU

Changes after half term

We would like to remind parents and carers that Big Fresh will be making some changes to the school lunch menu after half term.

Baguettes and wraps will no longer be available as a lunch option. Children will instead be able to choose from the hot meal options or a jacket potato.

We appreciate your understanding and encourage families to discuss the available choices with their children when ordering school meals

To celebrate the end of a busy half term, children are invited to come to school wearing their own clothes on Friday 23rd October!

We are asking for a small donation towards our school fund, which helps us provide additional resources and exciting opportunities for all our pupils.

The suggested donation is £2, although families are welcome to contribute any amount. Please note that the payment system automatically displays £2, but you can change this to your preferred amount.

Thank you, as always, for your continued generosity and support. We look forward to ending the half term in style!
