Dear Parents/Guardians,

We are excited to inform you that our school has been invited to form a choir to perform at the Young Voices Concert at the O2 Arena in London this January. Initially, we planned to run choir sessions as an after-school club. However, due to limited interest outside of school hours, we have decided to hold practices during school time. We are thrilled that your child has expressed interest in joining the newly formed school choir. We will run a taster session tomorrow (Fri 13th Sept) and request that your child makes a firm decision about their attendance by Friday 20th September. All children joining the choir will need to commit to attending each session as the standards for performing are high! Only children that are members of the choir will be able to join us on this trip. Places will be limited to 30 children.

This is a unique opportunity for our pupils to perform alongside thousands of children from across the country, creating an unforgettable experience. For many families, this may be the first time attending such a large-scale event, so we want to ensure that everyone is fully prepared.

The Young Voices Concert is renowned for bringing together school choirs from across the UK, creating one of the largest school choir performances in the world. It promises to be an inspiring and memorable event for all involved. You can find more information about the concert on the official Young Voices website: www.youngvoices.co.uk.

Your child is about to perform in the BIGGEST concert you've ever seen—get ready to be SUPER PROUD! They will be part of a choir with up to 9,000 other children at one of the UK's largest arenas.

On the day of the concert, your child's choir will rehearse together as one for the first time, followed by an incredible concert performance produced by the UK's leading sound and light companies, featuring special guest artists who are sure to raise the roof!

This experience will not only inspire and motivate your child through the power of music and singing but also provide them with a unique learning opportunity. Singing on such a grand scale fosters a tremendous sense of personal achievement, enhances mental health, and offers a life-changing musical experience.

Your child has worked incredibly hard to learn these songs, and you'll have the chance to celebrate their unforgettable accomplishment with them during the evening performance of the concert. Please either speak to your school for more information or place your ticket order via your online account. The official YV T-shirt can also be purchased but is not compulsory (a plain white top will suffice).
