

Friday 15th November

Have a look at these challenges. You can choose to answer as many as you like. We have ordered them by one star, two star and three stars (like we do in class). If you have any questions, please do not hesitate to ask us.

From, Mrs Jarman-Davies & Miss Spiller

Due Date: Wednesday 27th November

* We have been practising our subtracting in class, using a variety of strategies. Complete these questions, using your chosen strategy, such as blocks, mental maths, number line or a 100 square.

1. $10 - 7 =$
2. $8 - 2 =$
3. $14 - 8 =$
4. $10 - 2 =$
5. $15 - 3 =$
6. $18 - 7 =$
7. $21 - 4 =$
8. $26 - 9 =$
9. $28 - 1 =$
10. $30 - 12 =$

1. $345-28=$
2. $289-173=$
3. $734-239=$
4. $6727-354=$
5. $792-234=$
6. $1389-234=$
7. $7456-289=$
8. $673-366=$
9. $888-245=$
10. $1786-345=$

** Use this activity to practise your subtracting. Again, you can choose your strategy to complete the task.

1. $34 - 6 =$
2. $45 - 9 =$
3. $41 - 7 =$
4. $56 - 2 =$
5. $32 - 10 =$
6. $51 - 12 =$
7. $62 - 18 =$
8. $67 - 14 =$
9. $73 - 17 =$
10. $80 - 15 =$
